MESSAGE

Dear friends,

Greetings and best wishes from Telangana state chapter of IRIA

Acquisition, dissipation and implementation are the three most important aspects of knowledge and education.

In this endeavor we are striving hard to create good standards by grooming the postgraduate and preparing them not only to face the examinations but also the world in future.

Telangana state chapter of IRIA has embarked upon this ambitious project of “ KARE “ to prepare the exam going students to face any challenge.

It is indeed heartening to know that all the efforts are being made to get eminent national and local teachers to take part in this 3 day program. This program includes lectures, discussion of practical and theory questions and spotters.

We sincerely extend invitation to all the students to take advantage of this academic endeavor and reap the benefits of this program.

Best wishes
